

# A Better Man Than Me

## Dry Kill Logic

Now that I've come to see  
That it was you, not me  
All these lies believed  
Although it never occurred to me That you'd come undone  
You thought I'd lost and you'd won  
Your bridges burned, you're shunned  
And now it's time to pay Only one thing left to say  
And be it as it may  
Can't wait for judgment day  
My life was given back to me Now how does it feel?  
You look at me, you kneel  
I don't need anyone  
To tell me it's real Fuck you don't tell me  
Fuck you don't tell me  
Fuck you don't tell me  
Fuck you don't tell me I can see he's a better man than me  
I can see he's a better man than me  
I can see he's a better man than me  
What you want, what you need I can see he's a better man than me  
I can see he's a better man than me  
I can see he's a better man than me  
What you want, what you need It's not the same, I tried  
I never questioned why  
I always felt that  
I had done the best I could for you But now without me  
Albeit painfully  
I guess that you can't seem  
To get this clearly Fuck you don't tell me  
Fuck you don't tell me  
Fuck you don't tell me  
Fuck you don't tell me I can see he's a better man than me  
I can see he's a better man than me  
I can see he's a better man than me  
What you want, what you need I can see he's a better man than me  
I can see he's a better man than me  
I can see he's a better man than me  
What you want, what you need I can see he's a better man than me  
I can see he's a better man than me  
I can see he's a better man than me

What you want, what you need I can see he's a better man than me

I can see he's a better man than me

I can see he's a better man than me Fuck you don't tell me

Fuck you don't tell me

Fuck you don't tell me

Fuck you don't tell me Fuck you don't tell me

Fuck you don't tell me

Fuck you don't tell me

Fuck you don't tell me
