

Glenrio

Melissa McClelland

I got rubber band
The pitch fork stick
I got stone the size of my fathers fist
I got a mean dog with a bone to pick
Glenrio
Got me seeing redI got the ugly girls playing hard to get
I got flascal mouthwash
No cigarette
I got a fifteen dollar bayonet
Glenrio
Got me seeing redGlenrio got me seeing red
Glenrio Im as good as dead
I got my eye on the target
His fingers on the trigger and
Someone gonna pay
In Glenrio todayAnd if you pass me by just look away
Cause Ive got a temper hotter than Santa Fey
And faster than your sister gives it all away ya
Glenrio
Got me seeing redGlenrio got me seeing red
Glenrio Im as good as dead
I got my eye on the target
His fingers on the trigger and
Someone gonna pay
In Glenrio todayI got rubber band
The pitch fork stick
Ive got broken heart a
And fractured hips
Ive got blood on my knuckles from her pretty lips
Glenrio
She asked for itGod Damn
She asked for it
Wooh!
Oh she asked for itGlenrio
Got me seeing red
Glenrio Im as good as deadIve got my eye on the target,
His fingers on the trigger
And someones gonna pay
In Glenrio todayIm as good as dead
