There's No Emotion

Pulp

As I lay Down in the bedroom, There came a sound From far away. As I strained My ears to listen I could hear A thin voice say:"in your heart There's no emotion, And your soul, Your soul just dried away. There's no love, No love left in your body; Standing empty forever, And colder Every day."So I spent A night without you, Oh yes, I spent A night outdoors. Staring in To unknown faces, Trying to feel Just like before. In your heart There's no emotion, And your soul, Your soul just dried away. There's no love, No love left in your body; Standing empty forever, And colder every day. Oh yeah. No I don't Believe in voices, Because I hear Them all the time, Scraping tears From hardened faces With their stupid ugly rhymes. In your heart There's no emotion, And your soul,

Your soul just dried away. There's no love, No love left in your body; Standing empty forever, And colder every day. Standing empty forever, And colder every day. And this is where the story starts, Holding hands That hold you forever, Only love Will keep you together. Holding hands That hold you forever, Holding hands That throw you forever Away, Away, Oh.
