

# Braindead

Jarell Perry

You caught me on and off baby  
Caught me in the worst way  
I dont know how to do right by you  
It shouldve been a sadder day  
I know what you want  
Just what you want  
Pre-Go, still it matters to me, the one  
Go, still it matters to me  
You just stay right there  
You can run, it doesnt matter to me  
Run, it dont matter to me  
And you say its not fair  
Maybe Im braindead  
Baby Im brain, baby Im braindead  
Baby Im brain, baby Im brain  
Oh I wanna do it to you  
The way you let go  
My heart has split in two  
But baby Im brain, baby Im braindead  
Brain.  
Caught me like a back ache  
Caught me in the worst way  
I dont know how to say right by you.  
If it was another day  
Id know what you want  
Just what you want  
Pre-Go, still it matters to me, the one  
Go, still it matters to me  
You just stay right there  
You can run, it doesnt matter to me  
Run, it dont matter to me  
And you say its not fair  
Maybe Im braindead  
Baby Im brain, baby Im braindead  
Baby Im brain, baby Im brain  
Oh I wanna do it to you  
The way you let go  
My heart has split in two  
But baby Im brain, baby Im braindead

Brain.
