

# I'm Gonna See You

that dog.

We'll have lots of bail  
Tons of trail mix  
'Cause we're setting out to sail  
Courageously  
You and me We'll have lots of love  
(Ahh)  
For both of us  
(Ahh)  
And none of the  
(Ahh)  
Above the waist activity  
(Ahh)  
You and me  
(Ahh)(Ahh)  
I'm gonna see you in the morning  
(Ah)  
(Ahh)  
I'm gonna see you when you're uptight  
(Ah)  
(Ahh)  
I'm gonna see you when you're boring  
I'm gonna see you every night  
I'm gonna see you every night Well having wedding dreams  
And baby seats  
And family gatherings  
Eternally  
You and me Well have visits small  
Long distance calls  
And meetings in bathroom stalls  
And fantasy  
You and me Im gonna see you in the morning  
Im gonna see you when youre uptight  
Im gonna see you when youre boring  
Im gonna see you every night  
Im gonna see you every night  
Im gonna see you every night  
(Ahh)
