

Take Me Away

Blue Oyster Cult

Strange shapes light up the night
Never seen them though I hope I might
Don't ask if they are real
The men in black, their lips are sealed Fantasy it fills my mind
To leave this place before my time
Release myself from earthly care
My dream may be your nightmare I turn my hopes up to the sky
I'd like to know before I die
Memories will slowly fade
I lift my eyes and say
"Come on, take me away
Come on, take me away" Come here, girl, close to me
A thousand stars your eyes can see
First one we see tonight
I wish I may, I wish I might I turn my hopes up to the sky
I'd like to know before I die
Memories will slowly fade
I lift my eyes and say
"Come on, take me away
Come on, take me away" I turn my hopes up to the sky
I'd like to know before I die
Memories will slowly fade
I lift my eyes and say
"Come on, take me away" I lift my eyes and say
"Come on, take me away"
I lift my eyes and say
"Come on, take me away" I lift my eyes and say
"Come on, take me away"
I lift my eyes and say
"Come on, take me away"
