It's Forever

Three Bad Jacks

if i go around town
drinkin whiskey
or stay out late at night
my babe will miss me

i'm gonna take her in my arms,
then i'll squeeze her tight,
tell her she's the only one,
make her feel alright.

oo baby oo whee
i will give you what you want
start a family
gonna take her in my arms
then i'll squeeze her tight
tell her she's the only one
make her feel alright

well it all comes down
its just me and you
cuz you love the little things
i love 'em too
i love 'em too

and if you want it all
then kid you better give me a sign
cuz you love little things
and i can change your mind
i can change i'll change your mind
cuz i love you too
cuz i love you too
and its forever
its for-ever

if i go around town
drinkin whiskey
or stay out late at night
my babe will miss me

i'm gonna take her in my arms,

then i'll squeeze her tight,
tell her she's the only one,
make her feel alright.

oo baby oo whee
i will give you what you want
start a family
gonna take her in my arms
then i'll squeeze her tight
tell her she's the only one
make her feel alright
