Cry Baby Cry (ft Joss Stone &

Santana

Going back to the memories
Reminiscing bout you and me
Thinking how it used to be
It's plain and clear I treated you bad
But girl you know that I care
Every relation have wear and tear
Just draw near girl and try to hear and listen what my heart saysMany days and many nights
Many heartbreaks, many fights
Many wrongs but so many rights
So girl don't let this love die
Never meant to cause you no pain,
Girl I never meant to treat you lame.
Gimme one more chance rewind come back again.
Don't let this love die.Just cry baby cry (Don't cry no more)
'Cause every tear that flows falls into the ocean
And rises to the sky
And then the rain will come
Right before the sun shinesCan you feel me reaching out to you girl, can you hear my open thoughts
Never want disrespect you girl don't let this come break us apart.
'Cause I know I would die without you, my girl can you hear my broken heart.
It's calling out to the good times that we had back at the start.Baby (Don't call me baby)
You know I need you in my life daily (You know you played me)
I was a player but now your love changed me (Dead wrong)
I'm going crazy (I'm gone)
Never thought losing you would be so hardIt's your turn to cry baby cry (Don't cry no more)
'Cause every tear that flows falls into the ocean
And rises to the sky
And then the rain will come
Right before the sun shinesSo let go
And move on
What we were
Is now undone
My tears have all dried
It's your turn now to cryYou're losing your love and your trust for me girl
And you know, I would go to the ends of the world.
If you wanted, just like we started.
Girl 'cause I don't want to fight no more.
Make it like it was before.I tell you the truth and you cried and I cried
Let's get back to the place and that look in your eyes

Can you feel it inside, no clouds in your skies
The sun is gonna shineChat to her SantanaIt's your turn to cry baby cry (Don't cry no more)
'Cause every tear that flows falls into the ocean
And rises to the sky
And then the rain will come
Right before the sun shinesCry baby, cry (New beginning)
'Cause every tear that flows falls into the ocean
And rises to the sky
And then the rain will come
Right before the sun shinesCry baby, cry
'Cause every tear that flows falls into the ocean
And rises to the sky
And then the rain will come
Right before the sun shines
