

Stand (feat Miley Cyrus)

Billy Ray Cyrus

[Verse 1]

The story of a heart in need
Playing on my t.v screen
Will I sit back and watch it fade
There's gotta be a better way
Love is more then what you feel
Love is action love is real
Break your signs and turn the key
And be the change you wanna see
So get ready common everybody
Are you ready to...[Chorus]
Stand, for what you believe in
Stand, for all that is right
Stand, when its dark all around you
You can be that shinning light
Stand, when troubles come calling
Your gonna be all right
Stand, just reach deep inside you
And be that shinning light, stand[Verse 2]
I feel the earth shaking raise my voice
I have my soul I have a choice
I feel it burning I want more
So what am waiting for
So get ready common everybody
Are you ready to...[Chorus]Oh oh stand
Mm[Chorus 2x]
