

Love's Gonna Make It Alright

George Strait

Girl you had one of those days
Seem like they been going around
You are a long way from being where you want to be.
When the world isnt going your way
Or ever bad luck is getting you down.
Honey I will be right here for you with open arms,
you can run to me.

Chorus:

Baby, loves gonna make it, loves gonna make it alright
Baby, loves gonna make it, loves gonna make it alright,
Tonight, tonight, tonight.
We go out and paint the town
We can dance your cares away.
We can watch them all fall out on the floor.
And if you want to we can close it down.
We can leave whenever you say
Ill chase you down the hallway.
Watch the sun come up behind our bedroom door.

(Chorus)

Thats the good thing girl about me and you.
There aint nothing that lovin cant get us through
Baby, loves gonna make it, loves gonna make it alright
Baby, loves gonna make it, loves gonna make it alright
Baby, loves gonna make it, loves gonna make it alright
Baby, loves gonna make it, loves gonna make it alright,
Tonight, tonight, tonight
Tonight, tonight, tonight
