Never Satisfied

Judas Priest

Where do we go from here
There must be something near
Changing you, changing me forever
Places changes, faces change
Life is so very strange
Changing time, changing rhyme together
There's no where else to go
This could be our last show
Changing dreams, changing schemes never
We are never satisfied
Love is gone, along with fun
Now we're reaching for the gun
Changing cast, changing fast, no more tether
We are never satisfied
