

# Suicide is Painless

## Mash

Through early morning fog I see  
visions of the things to be  
the pains that are withheld for me

I realize and I can see...

[REFRAIN]:  
that suicide is painless  
it brings on many changes  
and I can take or leave it if I please.  
I try to find a way to make  
all our little joys relate  
without that ever-present hate  
but now I know that it's too late, and...

[REFRAIN]

The game of life is hard to play  
I'm gonna lose it anyway  
The losing card I'll someday lay  
so this is all I have to say.

[REFRAIN]

The only way to win is cheat  
And lay it down before I'm beat  
and to another give my seat  
for that's the only painless feat.

[REFRAIN]

The sword of time will pierce our skins  
It doesn't hurt when it begins  
But as it works its way on in

The pain grows stronger...watch it grin, but...

[REFRAIN]

A brave man once requested me  
to answer questions that are key  
is it to be or not to be  
and I replied 'oh why ask me?'

[REFRAIN]

'Cause suicide is painless  
it brings on many changes  
and I can take or leave it if I please.  
...and you can do the same thing if you please.
