

Honey Child

Frantic Flintstones

oh honey child, my honey honey child
I want you honey
honey, honey child

ooh honey child, ooh-oh my honey child
ooh honey child, ooh-oh my honey child

Sometimes that I see you
And I still realize I miss you
When I'm alone at night
My heart don't feel quite right
Can't you see you were ment for me?
They said so at the time
They were wrong and now you're gone
And I'm left here in this town

ooh honey child, ooh honey child
You drive me wild!

ooh honey child, ooh-oh my honey child
ooh honey child, ooh-oh my honey child

Sometimes that I miss you
And I long to kiss you
There was the time that you were mine
And everything was oh, so fine
Can't you see you were ment for me?
They said so at the time
They were wrong and now you're gone
And I'm left here in this town

ooh honey child, ooh honey child
You drive me wild!

honey child, ooh-oh my honey child
honey child, ooh-oh my honey child
ooh honey child, ooh honey child

Well there's sometimes that I miss you
I long to kiss you

ooh my honey child

Well can't you see you were ment for me?

They said so at the time

They were wrong and now you're gone

And I'm left here in this town

ooh honey child, ooh honey child

ooh honey child, ooh honey child
