

rose

Anna Tsuchiya

When I was darkness at that time
Fureteru kuchibiru
Heya no katasumi de I cry
Mogakeba mogaku hodo tsukisasaru kono kizu
Yaburareta yakusoku hurt me

Nobody can save me
Kamisama hitotsu dake
Tomete saku you na my love

I need your love. I'm a broken rose
Maichiru kanashimi your song
Ibasho nai kodoku na my life
I need your love. I'm a broken rose
Oh baby, help me from frozen pain
With your smile, your eyes,
And sing me, just for me

I wanna need your love...
I'm broken rose
I wanna need your love...

When you are with me at that time
Anata no kage wo oikakete
Hadashi de kakenukete stop me
Tozaseba tozasu hodo motsuretekukono ai
Yuruyaka ni yasashiku kiss me

Nobody can save me
Kogoeru bara no you ni
Yasashiku nemuritai my tears

I need your love. I'm a broken rose
Kareochiru kanashimi my soul
Kuzureteku kodoku na little girl
I need your love. I'm a broken rose
Oh baby, help me from frozen pain
With your smile, your eyes,
And sing me, just for me

I wanna need your love...

I'm a broken rose

I wanna need your love...

I need your love. I'm a broken rose

Maichiru kanashimi your song

Ibasho nai kodoku na my life

I need your love. I'm a broken rose

Oh baby, help me from frozen pain

With your smile, your eyes,

And sing me, just for me

I wanna need your love...

I was a broken rose

I wanna need your love...
