

In the Wild

Alpine

North, south, east, west
Take me there Leaving home today (go)
Home is everywhere (oh) In the wild Taking off so young
Freeing up space of mind
Shall I take this slowly?
Or run into the wild? In the wild Leaving home today (go)
Home is everywhere (oh)
North, south, east, west Leaving home today (go)
Home is everywhere (oh)
It's been too long
