

# In Your Presence (feat. Israel Houghton)

**William McDowell**

Everything we need, is here  
In your presence  
Everything we need, is here  
In your presence, Jesus My healer, provider  
My saviour, is here right now  
Sustainer, redeemer  
Jesus, is here  
There's no place like  
Your presence Lord  
No place we'd rather be Everything we need, is here  
In your presence  
Everything we need, is here  
In your presence, Jesus Meet every need unspoken  
Heal every broken hearts  
Lift every burden  
In your presence Jesus  
Restore what has been stolen  
Speak peace to every storm  
Let there be freedom  
In your presence, Jesus Meet every need unspoken  
Heal every broken hearts  
Lift every burden  
In your presence Jesus  
Restore what has been stolen  
Speak peace to every storm  
Let there be freedom  
In your presence, Jesus Everything we need, is here  
In your presence, Jesus
