# The Sacrifice

## Agnostic Front

To all of you who paved the way
We won't forget
All the courage that you gave
To all of you who passed away
We won't forget
The sacrifices you madeYou always went against the grain
Showed us you had to fight for change
I believed in you because you believed in me, in us
With your courage and trust
You showed us the way every day
Not only will I never forget that
I will honor you till the grave
To all of you who paved the way
We won't forget
All the courage that you gave
To all of you who passed away
We won't forget
The sacrifices you madeWith every breath I take
I honor those who gave
Every step of the way
You lived a selfless life
I wish that I could say the same
For everyone, but it's not that way
All I can do is be brave
And uphold your legacy
You were all heart and soul
Someone so special
You made us whole
We, we won't forget
In life or death
We, we won't forget
The sacrificeTo all of you who paved the way
We won't forget
All the courage that you gave
[x2]
To all of you who passed away
We won't forget
The sacrifices you madeTo all of you who paved the way
We won't forget

All the courage that you gave
To all of you who passed away
We won't forget
The sacrifices you madeI know what you sacrificed for me!
