

Let Me Hold You (Turn Me On)

Dante Klein

For the longest time we jamming at the party
And you're whipping on me
Pushing everything on me
We got SilentÃ³ on repeat
But if you think you're gonna get away from me
Better change your mind
The Henny got me feeling right
You're going home with me tonightLet me hold you, girl, caress my body
You got me going crazy, you
Turn me on, turn me on
Let me jam you, girl whip all around me
You got me going crazy, you
Turn me on, turn me onTurn me on, turn me on
Turn me on, turn me onFor the longest time, you're staring like you want me
I can feel your eyes
So go tell your friends goodbye
We can make our way outside
If they think they're gonna stop you coming with me
Better change their minds
The Henny got us feeling right
You're going home with me tonightLet me hold you, girl, caress my body
You got me going crazy, you
Turn me on, turn me on
Let me jam you, girl whip all around me
You got me going crazy, you
Turn me on, turn me onYeah
Turn me on, turn me on
(Turn me on baby)
Turn me on, turn me onLet me hold you, girl, caress my body
You got me going crazy, you
Turn me on, turn me on
Let me jam you, girl whip all around me
You got me going crazy, you
Turn me on, turn me on(Turn me on now)
Turn me on, turn me on
Yeah
Turn me on now
