

Loving Cup

The Rolling Stones

I'm the man from the mountain
Won't you come on up
I'm the plowman in the valley
With a face full of mud.
Yes I am stumbling and I know my car won't start
Yes I am fumbling and I know I play a bad guitar

Gimme little drink
From your loving cup
Just one drink
And you'll fall down drunk

I'm the man who walks the hillside
In the sweet summer sun
I'm the man who brings you roses
When you ain't got none
I'm gnitty gritty and my shirt's all torn
Yes I would love to spill the beans with you 'til dawn

Gimme little drink
From your loving cup
Just one drink
And you'll fall down drunk

I feel so humbled with you tonight
Just sitting in front of the fire

I see your face dancing in the flame
I feel your mouth kissing me again
Oh what a beautiful buzz
What a beautiful buzz
What a beautiful buzz
What a beautiful buzz

Oh what what beautiful buzz
What a beautiful buzz

Yeah I can run and jump and fish
But I won't fight

If you want to push and pull with me all night

Gimme little drink
From your loving cup
Just one drink
And you'll fall down drunk
