

Is This Love

Carly Simon

(Bob Marley)

I want to love you
And treat you right
I want to love you
Every day and every night
We'll be together with a roof
Right over our head
We'll share the shelter of my single bed
We'll share the same room,
God will provide the bread
Chorus:
Is this love, is this love, is this love, is this love
That I'm feeling
Is this love, is this love, is this love, is this love
That I'm feeling
I'm willing and able
So I throw my cards on the table
I want to love you
And treat you right
I want to love you
Everyday and every night
We'll be together with a roof
Right over our heads
We'll share the shelter of my single bed
We'll share the same room
God will provide the bread
Is this love, is this love, is this love, is this love
That I'm feeling
Is this love, is this love, is this love, is this love
That I'm feeling I want to know, want to know, want to know now
