

Dude (i Totally Miss You)

Tenacious D

Dude, i totally miss you
I really fucking miss you
I'm all alone,
All the time, all the time
Dude, i totally miss you
The things we did together
Where have you gone?
Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do
Dude, i totally miss you
I totally miss you
Dude, i totally miss you
All the time
AAAAHHHHHHHHH, AAHHHHHH
AAAAHHHHHHH, AAHHH (JB SKIT)

Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do
Dude, i totally miss you
I totally miss you
Dude, i totally miss you
All the time
(Guitar solo)
Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do
Dude, i totally miss you
I totally miss you
Dude, i totally miss you
All the time
All the tiiiieiiiiimmmmee!
