

# You Found Me (feat. Kristian Stanfill)

## Passion

My eyes have seen the Risen One  
Shining like the sun  
He came to rescue me  
The curse of sin and shame are done  
Death was over come  
The day He came for me

Now I have a song to sing  
I was lost, then Jesus You found me  
Now I live for ever free  
I was lost, then Jesus You found me

The Cross, standing in my place  
Every debt is paid  
I stand in victory  
The curse of sin and shame are done  
Death was overcome  
The day He came for me

You are my God and I will praise You, praise You  
For all You've done, yes I will praise You  
You are my God and I will exalt You, exalt You  
For all You've, yes, I will exalt You
