Becoming X

Sneaker Pimps

You can keep breathing
I only fall when you are near me, incomplete
I only talk when you can hear me, keep dreaming
Cant wake up until Im sleeping, lost on me
Close to something Ill never beVery nearly something to be
Very nearly something to beIf I just stay here
Close my eyes, can you still see me? Obsolete
Very nearly something to see, still see me
I cant wake up for sleeping, incomplete
Very nearly something to be
Still see me, there's no punishment needed, obsolete
Very nearly something to beVery nearly something to beYou can keep trying, drown in sleep to be flying
See for miles, something that I wanted to be
I cant wake this dream, prototype ends up has been
Incomplete, the consequence of something to be
