Too Late

Little Walter

Too late, too late, too late
I'm tired of your deceivin' and I can't statd your creepin', I'm gone
I'm tired of your deceivin' and I can't stand your creepin', I'm goneToo late, too late, too late
Tired of all the fussin' and I can't stand your cursin', I'm gone
Tired of all the fussin' and I can't stand your cursin', I'm goneGee you know I love you
I don't know just why
Thought the whole world of you
But today I say bye-bye, bye-byeToo late, too late, too late
Can't stand your cookin' and you ain't good-lookin', I'm gone
Can't stand your cookin' and you ain't good-lookin', I'm goneGee you know I love you
I don't know just why
Thought the whole world of you
But today I say bye-bye, bye-byeToo late, too late, too late
Can't stand your beatin' and I know you been cheatin', I'm gone
Can't stand your beatin' and I know you been cheatin', I'm gone
Can't stand your beatin' and I know you been cheatin', I'm gone
