Summer Forever

Megan Nicole

Phone rings, you're parked outside Hair's up, my chucks are tied You got a place in mind But I say let's improvise Oh oh oh Let's go oh oh Straight down the 405 Right past the county linePut your arm around me now Only got a few more hours So let's try to make it count While the sun isShining bright Speakers shaking Put that old mustang in drive Heart is yours for the taking We don't have to say goodbye If it was summer forever Oh oh oh Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer forever Oh oh oh Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer foreverHands up and touch the rays Jump in and rush the waves This world is ours to take So never let the moment fade Don't oh oh oh Let go oh oh Just snap a shot right through your shades Put it in a mental picture framePut your arm around me now Only got a few more hours So let's try to make it count While the sun isShining bright Speakers shaking Put that old mustang in drive Heart is yours for the taking We don't have to say goodbye If it was summer foreverOh oh oh

Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer forever Oh oh oh Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer foreverAnd when the sun goes down Can we still be together Don't wanna leave just hold me now Like it's summer for everShining bright Speakers shaking Put that old mustang in drive Heart is yours for the taking We don't have to say goodbye If it was summer foreverOh oh oh Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer forever Oh oh oh Don't let it go oh oh Just kiss me slow oh oh Whoa oh oh wish it was summer foreverPut your arm around me now Only got a few more hours So let's try to make it count While the sun isPut your arm around me now Only got a few more hours So let's try to make it count While the sun is Wish it was summer forever
