Caution

Bob Marley

Here I am, walking down the street
(walk walk walk walk walk walk walk)
And the terrain, everything is so sweet
(woah woah woah sweet)
(woah woah woah sweet)
I'm doing my thing and I'm doing it slow
But there is just one thing I would like you to know, oh
When it wet it slippery yeah
When it dump it crumpy
If it's likely you will tumble down
Don't want you on the ground
Oh oh oh caution, the road is wet
Black soul is black as jet
Do you hear me
Caution the road is hot
You got to do better than that
Cause ah
When it wet it slippery (when it wet it slippery yea)
When it damp it crampy (when it damp it crampy)
If it's likely you were tumbling down
Don't want you on the ground brother
Hit me from the top
You crazy motherfunky
Hit me from the top
You crazy motherfunky
Hit me from the top
You crazy motherfunky
When it wet it slippery yeah
When it dumpy crumpy
If it's likely you were tumbling down
Don't want you on the ground (don't don't)
Caution the road is wet
Black soul is black as jet (black soul)
Caution the road is hot
You got to do better than that
