Comes Love

Stacey Kent

Comes a rain storm put rubbers on your feet
Comes a snow storm you can get a little heat
Comes love nothing can be done
Comes a fire then you know just what to do
Blow a tire you can buy another shoe
Comes love nothing can be done

Don't try hiding cause there isn't any use
You'll start sliding when your heart turns on the juice

Comes a headache you can lose it in a day
Comes a toothache see your dentist right away
Comes love nothing can be done

Comes a heat wave you can hurry to the shore
Comes a summons you can hide behind the door
Comes love nothing can be done
Comes the measles you can quarantine the room
Comes a mouse you can chase him with a broom
Comes love nothing can be done

That's all brother if you've ever been in love
That's all sister you know what I'm thinking of

Comes a nightmare you can always stay awake
Comes depression you might get another break
Comes love nothing can be done
