

# Comes Love

[Stacey Kent](#)

Comes a rain storm put rubbers on your feet  
Comes a snow storm you can get a little heat  
Comes love nothing can be done  
Comes a fire then you know just what to do  
Blow a tire you can buy another shoe  
Comes love nothing can be done

Don't try hiding cause there isn't any use  
You'll start sliding when your heart turns on the juice

Comes a headache you can lose it in a day  
Comes a toothache see your dentist right away  
Comes love nothing can be done

Comes a heat wave you can hurry to the shore  
Comes a summons you can hide behind the door  
Comes love nothing can be done  
Comes the measles you can quarantine the room  
Comes a mouse you can chase him with a broom  
Comes love nothing can be done

That's all brother if you've ever been in love  
That's all sister you know what I'm thinking of

Comes a nightmare you can always stay awake  
Comes depression you might get another break  
Comes love nothing can be done
