Stay With Me

The Dictators

1, 2, 3, 4, 5I shuffle down the street, my eyes are on my feet
I got no place to go
I try to reason why, but end up getting high
I'm drinking more it showsI stare into the TV screen
But every face reminds me of a girl
I never used to be so mean
But I can't bear to face my shattered worldYou just ain't fair to this Romeo
I fell apart when I watched you goBaby, baby, baby
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?The stars they used to shine, but now my tears they blind
The fun we used to have
At night I toss and turn, the memories they burn
I don't know how to laughI try and make the social scene
But I get drunk and turn into a fool
Then I start a fight because
I'm only half the man I was withYou said, "We'd never part until we die"
Why didn't you stop when you heard me cry?Baby, baby, baby
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?Baby, baby, baby
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?
My, my, my, my, my, my, my, my
Heart is calling, won't you stay with me?My, my, my, my, my, my, my, my
Heart is calling, Won't you stay with me?
My, my, my, my, my, my, my, my
Heart is calling, Won't you stay with me?
