

In My Head (Live from Earthlink, Atlanta)

Queens of the Stone Age

It's the cruelest joke to play
I'm so high I run in place
Only a line we separate
So I keep on playing our favorite song
I turn it up while you're gone
It's all I've got when you're in my head
And you're in my head, so I need it You're the only thing I've got
I can't seem to get enough
We collide for one embrace
So I keep on playing our favorite song
I turn it up while you're gone
It's all I've got when you're in my head
And you're in my head, so I need it You're the only thing I've got
I can't seem to get enough
We collide for one embrace
So I keep on playing our favorite song
I turn it up while you're gone
It's all I've got when you're in my head
And you're in my head, so I need it You're the only thing I've got
I can't seem to get enough
We collide for one embrace
So I keep on playing our favorite song
I turn it up while you're gone
It's all I've got when you're in my head
And you're in my head, so I need it You're the only thing I've got
I can't seem to get enough
We collide for one embrace
So I need it
I need it
I need it now
