

# Branded By Iron

## One Man Army and the Undead Quartet

Being alive  
Or lie dead rotting  
Nobody really gives a shit  
One Throw the dice  
And shut the fuck up  
Either way you're meeting the book  
Man  
Yeah, you're next in line  
And you're heading for the house of pain  
Army Destined by lies and greed  
In the ghetto all over again  
And  
We're all branded by iron  
The final countdown has begun  
The Yeah, we're all branded by iron  
Make a difference and kill yourself  
Undead  
The road to hell and freedom  
Being rich  
Or beg in the ditch  
Do you wanna die slow or fast?  
Start diggin' your hole!  
Branded And shut down your heart!  
Cause the black rain will soon hit us all  
By  
Yeah, you're next in line  
And you're heading for the house of pain  
Destined by lies and greed  
In the ghetto all over again  
We're all branded by iron  
The final countdown has begun  
Yeah, we're all branded by iron  
Make a difference and kill yourself  
The road to liberation  
Machinegun Joe walking tall  
Shooting friends and family down  
Mad unrecognizable human deeds  
Blood runs inside the flames of hell  
Men are falling like leaves  
The process of extinction  
Yeah, you're next in line  
And you're heading for the house of pain

Destined by lies and greed  
In the ghetto all over againWe're all branded by iron  
One The final countdown has begun  
Yeah, we're all branded by iron  
Man Make a difference and kill yourselfThe road to hell and freedom  
Army Liberation  
Celebration  
Oh yeah!
