

# Earthquake (Then You'd Love Me)

Lady Gaga

What if I were to leave you,  
But then you fell back in love with me? How could you ever let me go?  
How could you ever-ever let me, go?  
I scream your name across the bar.  
I carry pictures of your Neil Young.  
Guitar, guitar. No, I just can't seem to forget you,  
Not ever just as long as I left you,  
You're my baby, you,  
Never made it through, to you. If I were the last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake,  
Maybe then you'd love, maybe then you'd love me,  
If there was an earthquake.  
Last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake.  
Maybe then you'd love, maybe then you'd love me,  
If there was an earthquake. How could you ever let me go  
How could you ever-ever let me, go  
I scream your name across the bar  
I carry pictures of your Neil Young  
Guitar, guitar. No, I just can't seem to forget you,  
Not ever just as long as I left you,  
You're my baby, you,  
never made it through, to you. If I were the last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake,  
Maybe then you'd love, maybe then you'd love me,  
If there was an earthquake.  
Last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake.  
Maybe then you'd love, maybe then you'd love me,  
If there was an earthquake. If I were the last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake,  
Maybe then you'd love, maybe then you'd love me,  
If there was an earthquake.  
Last girl, and you were the last boy,  
Left here on this planet, and there was an Earthquake.  
Maybe then you'd love, maybe then you'd love me.
