

# Miles and Miles

## Bas

Yeah  
Oh, Oh  
You feel the vibe?  
For miles and miles and miles  
Miles and miles  
Can you feel the vibe?  
Do you feel the vibe?  
For miles and miles and miles  
Miles and miles  
Oh, Oh, Oh  
Do you feel the vibe?  
For miles and miles and miles  
Miles and miles  
Or am I too high?  
Am I too high?  
For miles and miles and miles  
Miles and miles  
Am I too high?  
Cause I feel the vibe from miles and miles and miles  
Miles and miles  
Do you feel the vibe?  
You feel the vibe?
