

# People

## El Perro del Mar

I can't understand people [Repeat: x 4]

And I guess that's alright  
I guess that's alright  
'Cause they can't understand me  
They can't understand me

And I guess that's alright  
I guess that's alright  
'Cause they can't understand me  
They can't understand me

I can't understand people  
I can't understand people
