

Forever And For Always (Pop Red Edit)

[Shania Twain](#)

In your arms I can still feel the way you
Want me when you hold me
I can still hear the words you whispered
When you told me
I can stay right here forever in your arms And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day Cause I'm keeping you
Forever and for always
We will be together all of our days
Want to wake up every
Morning to your sweet face, always
Mm, baby In your heart I can still hear
A beat for every time you kiss me
And when we're apart,
I know how much you miss me
I can feel your love for me in your heart And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day Cause I'm keeping you
Forever and for always
We will be together all of our days
Want to wake up every
Morning to your sweet face, always (I want to wake up every morning here) In your eyes (I can still see The look
of the one)
I can still see The look of the one who really loves me (I can still feel the way that you want)
The one who wouldn't put anything
Else in the world above me (I can still see love for me)
I can Still see love for me in your eyes (I still see the love) And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day Cause I'm keeping you
Forever and for always
We will be together all of our days
Want to wake up every
Morning to your sweet face, always I'm keeping you

Forever and for always
We will be together all of our days
Want to wake up every
Morning to your sweet face, I'm keeping you forever and for always
I'm keeping you forever
Yes I'm keeping baby
Forever, in your arms
