

# when the Body Speaks (Karlsson & Winnberg Remix)

## Depeche Mode

To the soul's desires  
The body listens  
What the flesh requires  
Keeps the heart imprisonedWhat the spirit seeks  
The mind will follow  
When the body speaks  
All else is hollowI'm just an angel  
Driving blindly  
Through this worldI'm just a slave here  
At the mercy  
Of a girlOh, I need your tenderness  
Oh, I need your touch  
Oh, I dream of one caress  
Oh, I pray too muchTo the soul's desires  
The body listens  
What the flesh requires  
Keeps the heart imprisonedWhat the spirit seeks  
The mind will follow  
When the body speaks  
All else is hollowYou keep me waiting  
For the promise  
That is minePlease stop debating  
Please stop wasting  
Your timeOh, I need your tenderness  
Oh, I need your touch  
Oh, I dream of one caress  
Oh, I pray too much
