Tell Me, Clarice

Spitalfield

Lay down low, No one can see you when you close your eyes
Just close your eyes
We both know, You can't hide forever
You can try, You can try[Chorus:]
Go go, Keep moving faster
Don't stop for anyone
You're on your way
Now break away
When you (when you)
Get there,
Who's gonna bring you back, who's gonna bring you back to me
To where you're running..
When you (when you)
Get there,
Who's gonna bring you back, who's gonna bring you back to me
To where you're running fromEverywhere you go I'll be there
Every time you know I'll be
Everywhere you go I'll be there
Every time you know I'll be everywhere[Chorus]You can't hide, from this life [4x]You can't hide (This life) [4x][Chorus]You can't hide, from this life
