Officially Dead

Veruca Salt

I don't believe what he said

I can go anywhere

I can hold my head up

I can breathe in the airI'm not officially dead

I still have a heart

I'm not officially dead

Yeah I still have a heartDo you remember the times

You ride your bike past my house?

I want to know you so bad

Know you inside and outYou're officially dead

You don't have a heart

You're officially dead

Yeah you don't have a heart

You're officially dead

You don't have a heart

You're officially deadSee me

Feel me

Try to

Kill mePlease be easy

Just don't leave

Just don't leave me for deadI know you can't let me go

It's all in your head

You want me back in your arms

Want me back in your bedWe're officially dead

We don't have a heart

We're officially dead

We don't have a heart...

We don't have a heart...

We don't have a heart...

Whooooaa

Officially dead

We're officially dead

Officially dead
