

# Dip It Low (remix)

Christina Milian

Pop, pop, pop that thing  
Pop, pop, pop that thing  
Pop, pop, pop that thing  
Says he wants you, he says he needs you  
It's real talk then why not  
Make him wait for you?  
If he really wants you, if he really needs you  
Really got to have you  
Take your time, feel him out  
When he's a good boy  
Been a really good boy  
Why not let him lay with you  
When you give it to him good?  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
You're getting bold, he's growing cold  
It's just the symptoms of young love  
Growing old, you think it's time  
And you're thinking of leaving, but give it time  
It's late at night, he's coming home  
Meet him at the door with nothing on

Take him by the hand, let him know it's on  
If you understand me, y'all can move  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Dip it low, pick it up slow  
Roll it all around  
Poke it out, let your back go  
Pop, pop, pop that thing  
I'ma show you how to make your man say, "Ohh"  
Pop, pop, pop that thing  
Pop, pop, pop that thing  
Pop, pop, pop that thing  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
Why not let him lay with you  
When you give it to him?  
When you give it to him?  
When you give it to him?  
When you give it to him?
