## **Shesmovedon**

## **Porcupine Tree**

You move in waves

You never retrace

Your newest craze

Straight out of the Face by the bed unreadI'm left behind

Like all the others

Some fall for you

It doesn't make much difference if they doShe changes every time you look

By summer it was all gone - now she's moved on

She called you every other day

So savour it it's all gone - now she's moved onSo for a while

Everything seemed new

Did we connect?

Or was it all just biding time for you ?She changes every time you look

By summer it was all gone - now she's moved on

She called you every other day

So savour it it's all gone - now she's moved on She's moved on

She's moved on

She's moved on

She's moved on She changes every time you look

By summer it was all gone - now she's moved on

She called you every other day

So savour it it's all gone - now she's moved on
