

We're Not Beautiful

Emma Ejwertz

So this is what feels like
Is this what it means to grow
I caught a glimpse into the future
I felt a stroke of something very very cold
To sacrifice our lives
Just to hold my hand
Iâ€™m as cold as ice you said
Devoted not to love you again

Weâ€™re not beautiful
Weâ€™re not beautiful
Youâ€™re not beautiful
To me
To me

Youâ€™re dreaming of a women
Youâ€™re dreaming of your death
Maybe if you play the game harder
Maybe you wouldnâ€™t feel all that regret
Always run the wrong line
Waking up for a new disease
This is what it feels like
With pins and needles grow under your feet

Weâ€™re not beautiful
Weâ€™re not beautiful
Iâ€™m not beautiful
To me
To me
To me
To me
