

Funky Nassau, Pt. 2

The Beginning Of The End

Nassau's gone funky and Nassau's gone soul
We've got a doggone beat now
We're gonna call our very own Mini skirts, maxi skirts and Afro hair do
People are doin' their won
Don't care 'bout you and meNassau rock and Nassau roll
Nassau's got a whole lot of soul
Listen to the drummer strum in his feet
New York they say has got a whole lot of soul
London town is too doggone cold
Nassau's got sunshine and this you all know
But we've gone funky
And got some soul too
Funky Nassau funky
