

# Light Of Day

## Joan Jett And The Blackhearts

(Bruce Springsteen)One, two

One, two, three, fourWell, I've been out of the woods for six days and nights now

And I'm a little hot wired but I'm feeling all right now

I got some money in my pocketAnd I won't need a ride, yeah

I got a big Jag car and a baby by my side, yeahWell, I'm a little hot wired but I'm feeling OK

And I got a little lost down along the way

Well, I'm just around the corner till the light of day, yeah

I'm just around the corner till the light of day, yeahDriving 500 miles, got 500 to go, yeah

I've got a rock'n roll music on my radio

I've got a brother on the rig just off the gulf coast

He says the girls down there are really the most, yeahWell I'm a little tired out but I'm feeling OK

And I got a little lost along the way

But I'm just around the corner till the light of day, yeah

I'm just around the corner till the light of day, yeahWell, I got thrown out of work on the Kokomo

Well, don't ask me what I'm doing, cause I don't know, yeah

Only hear you wasn't joking when you wrote me that letterThings can't get worse so they gotta get betterWell

I'm a little hot wired but I'm feeling OK

And I got a little lost down along the way

But I'm just around the corner till the light of day, yeah

I'm just around the corner till the light of day, yeahI'm just around the corner till the light of day, yeah

I'm just around the corner till the light of day, yeah

Oh yeah

Oh yeah

Oh yeah

Oh yeah
