

# Your Smile

**Toby Keith**

Now those might be the saddest  
Big ol' baby blues I've ever seen  
How did I know, you'd been cryin'?  
Baby, you got make-up runnin' down your cheek  
You're just a queen lookin' for a crown  
Lost when you stumbled over some silly clown  
Take that frown  
Turn it upside down  
'Cause you never know who might be  
Fallin' in love with your smile  
A broken heart that's on the mend  
Takes a little time, I realize  
An' right now you wouldn't know  
True love if it looked you in the eye  
Girl, I did my best, I really tried to make you grin  
An' before I say goodbye, I'm gonna tell you again  
And take your frown  
Turn it upside down  
Oh, you never know who might be  
Fallin' in love with your smile  
Take your frown  
An' turn it upside down  
Oh, you never know who might be  
Fallin' in love with your smile  
Those might be the saddest  
Big ol' baby blues I've ever seen
