

# Make Me Robot

Tessa Violet

I don't want to be a human anymore,  
I'm done.  
I don't want to make mistakes anymore,  
he's won.I'm too old to change.  
Take my heart and I'll restart; please just let me fall apart.  
You may say it's strange,  
But I quit, guess that's it; for a human, I'm unfit, so...Make me a robot.  
Make me a robot.  
Make, make me cold.  
Make me a robot.  
Make me a robot.  
Take, take my soul.I don't want to have to fight anymore,  
I'm tired.  
I don't want to have to feel anymore  
uninspired.I am too worn out.  
Broken down, on the ground; I'm too shy to make a sound.  
All I have is doubt.  
I don't care, you can stare, 'cause a human can't compare, so...Make me a robot.  
Make me a robot.  
Make, make me cold.  
Make me a robot.  
Make me a robot.  
Take, take my soul.To human is to err, forgiveness is divine.  
I don't care, you can take my spine,  
'cause I'm spineless anyway, I don't need another day or a call.  
Take it all.I don't want to be a human anymore,  
I'm done.  
I don't want to have to feel anymore,  
he's won.Make me a robot.  
Make me a robot.  
Make, make me cold.  
Make me a robot.  
Make me a robot.  
Take, take my soul.Make me a robot.  
Make me a robot.  
Make, make me cold.  
Make me a robot.  
Make me a robot.

Take, take my soul.
