

Jennifer

Danny Django

Verse 1:

Jenniferâ€™s a lovely girl
She spends her time
In prose and rhyme
And lives in simple eloquence
She waits for rain
Under her parasel

Chorus:

Jennifer youâ€™re an original
Youâ€™re an angel and a clown
Jennifer youâ€™re so sweet and pure
You donâ€™t let anything get you down
Jennifer your eyes are open wide
You see beyond the grand disguise
Jennifer youâ€™re the only one of a kind
Youâ€™re an original

Verse 2:

Jennifer sings sacred tunes
She meditates in the afternoon
She speaks her mind in simple zen
In incense clouds of lighted parafin

Chorus:

Verse 3:

Jennifer walks everywhere
Sheâ€™s always out in any weather
She only takes the things she needs
Sheâ€™s always smiling and she never assumes

Chorus:
