

# Go Harder (feat. Mishon)

Nova

[Hook: Mishon]

Stay on my grind, I don't know 'bout you  
Get it out the mud, that's all I know to do  
But, I gotta go, gotta go, gotta go, gotta go harder  
I gotta go, gotta go, gotta go, gotta go harder  
Get in my zone, trapped out the trench  
I'm always on, that's how I win  
But, I gotta go, gotta go, gotta go, gotta go harder  
I gotta go, gotta go, gotta go, gotta go harder

[Verse 1: Nova]

I gotta go hard, like a full-time job  
From the time that I clock in til I clock out  
Everyday grind, no days off  
I'm always open for business, keeping my focus and winning  
If I wanna be SoSo Def, I gotta show the ambition  
I'm on my grind and my city knows  
I gotta hustle to bring it home  
They see me on TV, I'm getting dough  
I put the account in [?]  
Mama told me to never fold, that's just the way I was brought up  
You thinkin' they ready for work, well I'ma go, I'ma go, I'ma go harder  
Back at home I was never bored, worked until I could not work no more  
I'ma make it rapping, cut the track and let the record spin 'til it's platinum then money calls  
And I'm over dedicated, growing up educated, I'ma genius  
Hard work in the kid so believe it  
Wanna say I'ma make it in my dreaming, no  
Young Nova, I'm the greatest

[Hook: Mishon]

Stay on my grind, I don't know 'bout you  
Get it out the mud, that's all I know to do  
But, I gotta go, gotta go, gotta go, gotta go harder  
I gotta go, gotta go, gotta go, gotta go harder  
Get in my zone, trapped out the trench  
I'm always on, that's how I win  
But, I gotta go, gotta go, gotta go, gotta go harder

I gotta go, gotta go, gotta go, gotta go harder

[Verse 2: Nova]

Hard work paid off, I put in my time just to take off the clock  
I dealt with the struggle, but I gotta hustle and it's no one around me making it stop  
I gotta praise my city, 'cause then they safe for living  
We gotta change the image  
We can do more, but we get lost tryna make the difference  
I'ma make it better, that's been the goal since I was younger  
I was filled with heart and hunger, how much more I need to make you bump it?  
Make assumptions 'bout me, but you don't want it  
So no ones holding me back unless I'm the back of my show  
Getting mad though by the back do' so it's only right I stack more  
Going hard, I gotta get so if anybody  
So if anybody gotta problem with it, we can sprawl 'til we finish  
Time is money, honey count it for me, shorty we ain't never gotta limit  
Better stop the trippin' cause at any given moment I'ma vision wish to get it back and level up and win it  
But I only got a minute

[Hook: Mishon]

Stay on my grind, I don't know 'bout you  
Get it out the mud, that's all I know to do  
But, I gotta go, gotta go, gotta go, gotta go harder  
I gotta go, gotta go, gotta go, gotta go harder  
Get in my zone, trapped out the trench  
I'm always on, that's how I win  
But, I gotta go, gotta go, gotta go, gotta go harder  
I gotta go, gotta go, gotta go, gotta go harder
