

# Lie To Me

## Depeche Mode

Experiences have a lasting impression  
But words once spoken, don't mean a lot now  
Belief is the way the way of the innocent  
And when I say innocent, I should say naive  
So lie to me, but do it with sincerity  
Make me listen just for a minute  
Make me think there's some truth in it  
Lay with me, lie to me  
Love me, only one  
Lay with me, lie to me  
Love me  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Promises made for convenience  
Aren't necessarily what we need  
Truth is a word that's lost its meaning  
The truth has become merely half truth  
So lie to me like they do it in the factory  
Make me think that at the end of the day  
Some great reward will be coming my way  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Come on and lay with me  
Come on and lie to me  
Tell me you love me  
Say I'm the only one  
Lay with me, lie to me  
Love me, only one  
Lay with me, lie to me  
Love me, only one  
Lay with me, lie to me  
Love me  
Lay with me, lie to me  
Love me, only one

Lay with me, lie to me  
Love me
