

# Almighty God

[Tim Hughes](#)

The rising sun that fills the sky  
The starry host that lights the night  
Reflecting Your gloryThe mountain heights, forever stand  
The rain that falls to soak the land  
Respond to Your gloryAlmighty God, in every way  
You are above and beyond understanding  
If we did not praise, the rocks would cry out  
Glorious God, high above understandingThe vast expanse of earth and sea  
Held by You in harmony  
Speaks of Your gloryAll You've made, since time began  
Life itself; Your perfect plan  
And it's all for Your gloryAlmighty God, in every way  
You are above and beyond understanding  
If we did not praise, the rocks would cry out  
Glorious God, high above understandingCreation joins as one to sing  
"What a glorious God"  
So far above all earthly thingsAlmighty God, in every way  
You are above and beyond understanding  
If we did not praise, the rocks would cry out  
Glorious God, high above understandingAlmighty God, in every way  
You are above and beyond understanding  
If we did not praise, the rocks would cry out  
Glorious God, high above understanding
