

Treat Me like Somebody

Tink

Oh yeah yeah yeah
Oh yeah yeah yeah yeah yeah [2x][Verse 1:]
 Somebody real is hard to find
 Somebody worth all your time
 Somebody who can tell you the truth
 Someone who loves you for you
 Someone who knows all of your flaws and
 Doesn't impose, try to control them
 Let's you be free
 Doesn't deceive
 They give you a chance to believe
 Believe in something
 [Hook 1:]
 Is that too much?
'Cause I've been on the search and I'm losing my hope
 Is that too much? Is that too much?
 Trying to find love in a world so cold
 Is that too much?
 I just want an answer, I can't be the only one
 Is that too much?
 You ain't got to be perfect
 Just give me a purpose to love[Hook 2:]
 I just want somebody (body)
 To treat me like somebody (body)
 Won't be like everybody (body)
 All you got to do is love me for me baby. [2x]
 [Verse 2:]
 Now don't be mislead by the things that I said in the past
 I was young
 I was looking for a thrill
 That didn't last long
 I was in it for the wrong
 Wrong reason, wrong season, wrong person (yeah)
 'Cause he just wanted one thing
 And I just wanted something to smile at, and live for, and hug on (I)
 I'd rather have quality than quantity
 Oh I just want someone that'll keep it real with me[Hook 1][Hook 2 2x][Outro:]
 Oh oh oh oh
 Maybe I'm asking for too much...

Yeah yeah yeah yeah
